

Regenesys

Loyalty Programme for Individuals

Reward yourself...Awaken your Potential

Introduction:

Regenesys Management has, for more than a decade, developed strong relationships with stakeholders, like you, who have been proudly associated with us. As part of our endeavour to reward loyalty, the Regenesys Loyalty Reward Programme has been initiated to encourage and reward those who advocate the Regenesys brand.

The objective of the programme is to encourage lifelong relationships with Regenesys and assist in developing Regenesys and improving our market share through leveraging your existing relationships and introducing the Regenesys suite of products and services.

Reward yourself for encouraging others to learn and awaken their potential and let Regenesys pay for your studies through your Rewards earned.
